Re: A to L - Sevier Bridge
Regulatory Stream

Dear Thorpe:

I have again gone through all of my files as have the officers of the Alto L Companies and we cannot even find a copy of the final draft of the Stipulation which appears in the 1968 yearbook.

Consequently, I have gone to the yearbook and drafted verbatim a new Stipulation which I now enclose in duplicate.

If you wish to compare this with your office files and the 1968 yearbook, please do so and advise me if there are any errors or admissions.

If we can get your signature and that of Sam Cline, I will then obtain Ed Clyde's, add mine, and forward it to Dallin Jensen, and then perhaps we can obtain an agreed Court Order approving the Stipulation and enter it in Civil No. 5335.

If this does not meet with your approval, please do not hesitate to give me a call.

Yours very truly,

OLSEN AND CHAMBERLAIN
